Director's Guarantee and Indemnity

Sign separately. Each guarantor should obtain independent legal advice before signing.

Customer (the applicant): _____ ABN _____

In consideration of Transrock Pty Ltd ABN 55 686 085 441 (Transrock) supplying goods on credit to the customer, each guarantor named below:

1. **Guarantee.** Guarantees payment to Transrock of all amounts the customer owes or will owe to Transrock for goods and services supplied on the customer's account, including interest under the Terms of Trade, reasonable recovery costs payable under the Terms of Trade, and reasonable costs Transrock incurs in enforcing this guarantee.
2. **Indemnity.** Indemnifies Transrock against loss Transrock suffers because the customer does not pay an amount it owes, or because an amount is not recoverable from the customer.
3. **Continuing.** This is a continuing guarantee and indemnity. It covers amounts owing now and in future, and is not affected by any change in credit limit, time given to the customer, or a change in the customer's directors or members.
4. **Joint and several.** Where there is more than one guarantor, each is liable jointly and severally.
5. **Ending the guarantee for future supply.** A guarantor may end this guarantee for goods supplied after Transrock receives written notice. The guarantor remains liable for amounts owing for goods supplied before that notice takes effect.
6. **No security over land.** This guarantee does not create a charge over land or any other property and does not authorise the lodging of a caveat.
7. **Acknowledgements.** Each guarantor confirms that they have read the credit application, the Transrock Trade Account Terms and the Transrock Terms of Trade, understands that they may be personally liable under this document, has had the opportunity to obtain independent legal advice, and consents to Transrock obtaining credit information about them to assess and enforce this guarantee.
